

## 2007 Ohio Valley Regional Conference

We would like to send you a few reminders as we near the OVRC weekend:

- △ Dress Code for Thursday's Career Fair and Saturday's Awards Banquet is **business casual**.
- △ Registration is being posted on our website as it is updated:  
<http://www.ccegs.ohio-state.edu/asce/ovrc.html>  
  
Please check that we have received your registration (school and individual) and that all of your participants are included as well as their names spelled correctly and their T-shirt sizes are correct.
- △ We have been sending out receipts as we receive your registration. Individual registration receipts are enclosed in this mailer. If you did not receive one in your packet it is because we have not received your registration. Please take care of this ASAP so that you can participate on March 29. We would like to see everyone attend.
- △ **Concrete Canoe and Technical Paper Deadlines are approaching!** Be sure to check our website for the submission guidelines and dates so that you are eligible to participate.
- △ If you are planning on sending multiple teams/participants for any of the smaller competitions please update us with your status. These include:
  - AutoCAD
  - Concrete Frisbee
  - Environmental
  - Surveying
  - Technical Paper
- △ Questions can still be sent to Christine at [Leyland.4@osu.edu](mailto:Leyland.4@osu.edu).

As always everything we have sent you is available on our website. Please check it regularly as we will continue to update it weekly as we near OVRC weekend. See you in the spring!

Sincerely,  
*Alicia Heitkamp*  
President, OSU ASCE Student Chapter

*Christine Leyland*  
Chair, 2007 Ohio Valley Regional  
Conference
